You will join a band in class and develop many new skills so you can be involved in the performance of a piece of Pop/Rock music on stage at a concert. During your voyage you will experience a number of projects which will look in depth at what is involved in taking a band from early stages to a full stage performance incorporating the skills noted below.

-) Band Creation
-) Sound Technology
-) Lighting Technology
-) Choreography
-) Recording Technology and I.T.
-) Marketing and Advertising
-) Distribution Network
-) Costume
-) Concert

You are going to be Successful, Confident, Responsible and Effective.

Pupils will work in groups/pairs/solo over the duration of the course. Assessment will be based on CfE Level 3/4 Experiences and Outcomes.

**After S3:**

Although Band will not continue in to S4 as a SQA course, the skills pupils have developed will transfer to Music National 4 and 5 courses therefore students will enhance a variety of skills in Band which will promote their enthusiasm for music and the performing arts.
